

A Happy Child

0118CH01

UNIT 1

Enjoy this poem

My house is red - a little house;
A happy child am I.
I laugh and play the whole day long,
I hardly ever cry.

I have a tree, a green, green tree,
To shade me from the sun;
And under it I often sit,
When all my play is done.

Three Little Pigs

Listen and enjoy this story

Once there were three little pigs,
Sonu, Monu and Gonu.

Sonu lived in a house of straw.
Monu lived in a house of sticks and
Gonu lived in a house of bricks.

One day a big bad wolf came to Sonu's house.
He said, "I will huff and puff and I will blow your
house down." So he huffed and he
puffed and he blew the house
down.

Sonu ran to Monu's house.

The wolf came to Monu's
house. He said, "I will huff and
puff and I will blow your
house down." So he huffed and
he puffed and he blew Monu's house down.

Sonu and Monu ran to Gonu's house.

The wolf came to Gonu's house. He said, "I will huff and puff and I will blow your house down." So he huffed and he puffed but he could not blow the brick house down. It was very strong.

The wolf went away and Sonu, Monu and Gonu lived happily together in the red brick house.

The emphasis in this book is on developing language skills by using the mother tongue in the initial stages. The teacher's encouragement and motivation are very important. Children are curious and love to try things in their own little ways. Do not correct their mistakes. Focus on the process of learning and remember that the child needs to be given activities that are exciting and stimulating.

The **first Unit** is about introducing the child to a process of learning following the concept '*from near to far*'. Allow them to talk and help them to express their thoughts by use of their mother tongue, visuals, pictures, sketches, single word questions and answers. As you introduce the text (both the poem and the story), encourage all the children to participate.

► Develop listening skills

Read the poem/story aloud to the children.

Read it with emphasis on clear speech and correct pauses at commas and full stops.

► Develop pronunciation

Let the children read aloud after you. Make them repeat

blow, flow, glow

brick, kick, stick

huff, puff, stuff

► Exposure to language

Use *sight words* in the classroom by putting visuals and cue cards. Let children read these:

bad
sad

bed
red

big
dig

cot
hot

bun
sun

► Develop speaking skills

1. Encourage children to walk and jump like different animals. Let them make the sounds of '*huff*', '*puff*' etc. with force.
2. Write two-letter words on the blackboard such as **am, he, in, is, it, me, my, so** and start a contextual conversation by saying, '*She is a girl*', '*I am a teacher*', '*Please give me a pencil*', '*He is a boy*', '*You are so far away*', '*It is a warm/cold day*' etc.

Provide opportunities to children for working and playing together in

small groups. It will promote interaction, togetherness and team spirit besides encouragement for natural expressions.

3. Conversation based on 'Role play'

- Divide your class into four groups: **Red**, **Yellow**, **Blue**, **Green**
- Let each group make a house.

Red— a hut **Blue**— a flat **Yellow**— a bungalow **Green**— an igloo

Red and **Blue** groups have to talk about all the objects in their houses.

Yellow and **Green** groups have to talk about objects around their houses.

- **Method**— Each group uses low-cost waste material (e.g. newspapers, cardboard, grass, leaves, matchsticks, etc.) to draw, sketch, construct or act out a scene from their house.

MATERIAL REQUIRED

Boxes/old cartons
for collecting leaves, twigs...

Pencils / spoons, beads,
string etc.

► **Develop writing skills / fine motor coordination**

Writing needs practice before it becomes spontaneous and neat. In making the strokes show the child how to hold the pencil and use it safely. Encourage children to make different patterns/basic strokes by drawing them on the blackboard, slate/paper. Put two letter and three letter words on flash cards and show them to the children. Let them recognise the words.

► **Raising awareness**

Talk about turning off taps and not wasting water.
