Sundari

Read and enjoy this story

Sundari was a big red, white and blue kite. When Bobby made her she smiled at him.

“You are beautiful and I will call you Sundari,” he said.

One day, Bobby took Sundari to the fair.

The band was playing and everyone was smiling.

A merry-go-round was playing a happy little tune. It was carrying lots of boys and girls round and round on its wooden animals.

Bobby looked for an open space where he could run and fly his kite. Sundari looked too.

Out in the grass ran Bobby, holding up his kite as high as he could.

Puff! The wind came along. Sundari started to fly up! But she could not go very high. A little dog was holding on to her long tail. It was in his mouth.

Bobby shooed the dog away.

“We’ll try again,” Bobby said.

This time Sundari leaped up in the air. She tugged hard. Oh, how she wanted Bobby to let go of her string! She gave a big tug. Bobby had to let her go.

“Wheee!” cried Sundari. “Now I can fly as high as I please!”

And away she went. She flew up, up, up in the air.

In this unit we introduce children to sounds like *blow*, *whoosh*, *puff*, *whiff*, *dizzy*, *shooed*, *shoo*, *woof*, and *woo*. Encourage children to listen to all the sounds on their way to school. Let them discuss the ones that were pleasant and those that were not. You can also ask them to recite different rhymes involving animal sounds.

► **Develop pronunciation**

Have a reading session of the story 'Sundari'. Let each child be given a few lines to read.

► **Exposure to language**

Continue to use *sight words* in the classroom. Here you can put up the following words and get the children to repeat after you.

door

tree

window

► **Develop speaking skills**

Divide your class into four groups: 1, 2, 3, 4

Enjoy this short play with children saying:

All children : 1, 2, 3, 4, 5

Group-1 : Whoosh! Whoosh! Once I caught a fish alive.

Group-2 : 6, 7, 8, 9, 10
Woof! Woof! Then I let it go again.

Group-3 : 11, 12, 13, 14, 15
Shoo! Shoo! Why did you let it go?

Group-4 : 16, 17, 18, 19, 20
Blow! Blow! Because it bit my finger so.

Group-1, 2, 3 : Which finger did it bite?

Group-4 : This little finger on my right.

Let all children clap their hands and say this entire rhyme once again.

Through play, children develop the habit of establishing and following instructions which will help them throughout their lives. Playing in groups helps them to exercise self control. It also gives an opportunity to the teacher to observe and improve children's social understanding and attitudes.

► **Develop writing skills / fine motor coordination**

Introduce **A** to **Z** in capital letters. Write from **a** to **z** on the blackboard. Let the children write and read from the board and from the picture dictionary. Use Activity Sheets and a notebook for further practice.

Let children move in a single line saying, “*Puff, puff* goes the train”.

► **Raising awareness**

Involve the children in a kite making activity. They can either decorate their class or the trees outside with the kites they have made. They can talk about festivals when kites fly in the sky.
