I felt certain these men were in the middle of (c) committing a crime, so I stopped my car round the corner and walked (d) directly over to the two suspects. At that moment the criminals saw me. I warned them not to move and told them I was (h) arresting them for robbery. I informed them that they could (i) remain silent if they wished and that they could phone their lawyer (j) from the police station. The men said they weren't (k) guilty and that they were just borrowing their friends TV. "You can tell that to the judge when you get to (l) court." I said.

Q2 : What would you do if you become invisible? Would you use your invisibility to play tricks on people or for the good of people?

Write a short paragraph on 'If I were invisible'

Answer :

A model answer has been provided for students' reference.

It is strongly recommended that students prepare the answer on their own.

If I were invisible I would help people and the society. I would visit those places where the anti socials wander at large and deter them from committing any crime. I would thwart any untoward attempts of terrorists. I would visit the offices of authorities anytime to watch if they are carrying out their duties properly. If I were invisible I would visit hospitals anytime to watch if the doctors are treating the patients properly. I would visit the factories to check if anybody is practising child labour. I will use my invisibility to fight evils in the society and do good for the people.
