

Hockey and Football

Q1 : Each student will now complete his/ her half of the following table (Hockey or Football), by adding information from the text each has read.

	Hockey	Football
Ball:		
Playing Area:		
Duration:		
Judging:		
Penalties:		
Penalty Area:		
Cards:		

Answer :

	Hockey	Football
Ball:	Spherical in shape, circumference between 224 and 235 millimetres, weight between 156 and 163 grams. Material of the ball should be hard, smooth and white in colour.	Spherical, round, leather-covered, inflated rubber bladder 27-28 inches in circumference and 397-454 grams in weight.
Playing Area:	Rectangular in shape, 100 yards long and 60 yards wide.	Rectangular grass or artificial turf within a clearly defined area. Length of the pitch is in the range of 100-110 m and the width is in the range of 64-75 m
Duration:	Divided into two periods of thirty-five minutes each with a break in between.	Divided into two periods of 45 minutes each known as halves with a half time break of 15 minutes.
Judging:	Two umpires control the game by administering the rules. Responsible for keeping time.	Game controlled by a referee along with two linesmen. Referee responsible for keeping time.
Penalties:	Free hit awarded for any foul committed outside the penalty area. Penalty corner awarded if fouls committed or the ball is hit outside goal-line.	Free kick or penalty kick is awarded for fouls committed.
Penalty Area:	A semi circular area 14.63m from the goal	A rectangular area 40.2m wide and extending 16.5 m into the field where the goal keeper operates.
Cards:	Green card - official warning to a player. Red card - shown for more serious offence and sees the player leave the match for good.	Yellow card - warning card for dangerous play. Red card - Card shown for serious misconduct resulting in ejection of a player from the game.

Q2 : Either in groups or individually, make a power-point presentation on either of the two games. Incorporate points from the table above and any other interesting information/detail.

Answer :

Pointers have been provided for students' reference.

It is strongly recommended that students prepare the answer on their own.

Powerpoint Presentation on Football
