Roll No. ▶

- 1 Is the earth's axis perfectly vertical? How do you justify your answer?
- 2 If you are at north pole, what is the direction of rotation?
- 3 Is the direction of rotation same at the south pole?
- 4 Why the southern hemisphere experiences the winter and summer solstice
In different times than that of northern hemisphere?
- 5 Why do the poles experience about six months day and six months night?
- 6 What would happen if earth did not rotate?
