

Worksheet

Noses

A. Answer the following questions.

1. 'I looked in the mirror
and saw in there
the end of my chin
and the start of my hair'

(a) What did the poetess see while looking at the mirror?_____

(b) What was the shape of the object which she saw?

2. Which do you think is the best feature on your face and which is the funniest?

3. Have you looked in the mirror and found your nose funny?
Why? _____

Answer A.

1. (a) The poetess saw the start of her hair and end of her chin while looking into the mirror. She looked at her nose and found it to be the funniest thing.

(b) She saw her nose that was stuck right out of where all of it shows with two little.

2. (a) I think eyes are the best feature on my face, which helps me see the world and the nose is the funniest feature on my face because it grows where it is and sticks out of the face.

3. Yes, I have looked into the mirror many times and I found my nose funny because it sticks out just like a handle.

- (b) nose
(a) handle
(c) stick out

C. Think, discuss and answer the question given below.

Can you laugh and make fun of yourself?

Answer C.

Yes, we can laugh and make fun of ourselves by looking into the mirror and making different and funny faces. We can dance in front of the mirror and make ourselves laugh. We can look at our noses, no doubt we will laugh at our noses sticking out of the face.
