Question 1: Look at the pictures. Narrate the story in your language and then in English.

Disclaimer: Kindly refer the textbook for the images.

Answer: Disclaimer: This is a sample story provided to you. Students are advised to write the story using their own imaginative and creative skills.

One day three rabbits were playing with each other on a sunny day. Their names were Rabbu, Reeyas and Ruby. Ruby found a carrot from the forest and asked Reeyas if he also wanted to have the carrot. Suddenly, a tiger came from behind the tree and started howling loudly. All the three rabbits got terribly frightened and ran towards the pond.

They saw their best friend Gumpu, the elephant coming from the pond. Seeing the tiger chasing the rabbits, Gumpu asked them to cross the pond on his nose. The three rabbits quickly jumped on Gumpu's nose and crossed the pond. The tiger got very angry looking at this.

Gumpu then stored a lot of water in its mouth and raised its trunk to throw the water on the tiger's face. The water got splashed on the tiger's face. Gumpu and rabbits laughed loudly looking at the tiger's terrible condition.
