Question 1: Pretend that you are Curlylocks. Tell your friends what happened to you when you went into the bears' cottage. You can say the story first in your own language and then in English. Begin like this – I am curlylocks. I have curly hair. One day I ...

Answer: *Disclaimer:* This is one sample story given to you. Students are expected to write the answer using their own creative and imaginative skills.

I am curly locks. I have curly hair. One day I decided to roam around the forest near my cottage. After a few steps, I saw a beautiful and small cottage. I got very happy to see that. I went inside the cottage and saw nobody there. I was very surprised and also scared to see that there was no one in the house.

I went into the kitchen and saw three bowls of porridge. I was very hungry, so I tasted from all the bowls but I liked the porridge only from the tiny bowl as it was just fine for me to eat. I was feeling very tired, so I thought to take rest for a while. I found three beds in the bedroom. I tried to fit in all the three beds but it was only the tiny bed where I felt comfortable.

I took a nap and then after half an hour, I saw three bears in front of me. They all were staring at me. I got goose bumps looking at them I thought of nothing thereafter and just ran off from the place.

It was a very adventurous experience for me. I enjoyed it and would love to visit the place again.
