

Class IV-2013-14

Cycle I

English Assignment

26 Topic:

Grammar-Nouns

Q1 Underline the nouns in the given sentences and also write their types :

1. Richa's wisdom has made her very popular.

2..Anu saw a huge herd of elephants approaching the village.

3.Tanya visited India last month. The beauty and culture of India took her breath away. _____

4. "Every student in this class must work with sincerity."

Q2. The plurals of these singular nouns do not end in -s or -es. Do you not know what their plurals are ?

a) child- _____

b) foot- _____

A line drawing of two ducks standing in a pond. There are lily pads and a butterfly in the background.

A black and white line drawing of a mouse standing on its hind legs, holding a large, open umbrella over its head. The mouse is facing right, and the umbrella is tilted slightly to the left. The drawing is simple, with a few lines indicating the mouse's ears, whiskers, and the texture of the umbrella.

A black and white line drawing of a large acorn. The acorn cap is textured with a grid-like pattern of small lines. A small mouse is standing on its hind legs to the right of the acorn, looking up at it. The mouse has a long tail and small ears.

MASCULINE GENDER	FEMININE GENDER
