Q: I Read the comprehension and answers the following questions:

Alex and his father went to a mall to buy groceries on Sunday. While coming back to home, Alex saw a pet shop on the road. Alex stopped there for a while and looks at all dogs. There were different breeds of dogs and also in different colors.

Alex's father took him inside the pet shop and asked him, "Would you like to buy any dog as a pet?" Alex was confused as he liked all the dogs. After long pause he said, "I will buy the brown one".

They paid twenty dollars and buy the dog. Alex was very happy as he got his own pet on the day.
