

Chapter – 7

Lifelines of National Economy

(Assertion and Reason Questions)

In the following questions, a statement of assertion is followed by a statement of reason. Mark the correct choice as :

- (a)** If Both assertion and reason are true and reason is the correct explanation of assertion.
- (b)** If Both assertion and reason are true but reason is not the correct explanation of assertion.
- (c)** If Assertion is true but reason is false.
- (d)** If Both assertion and reason are false.

Q.1. Assertion (R) : Road transportation in India faces a number of problems.

Reason (R) : Roads are unmetalled, their network is adequate.

Q.2. Assertion (R) : Communication is unessential requirement of human life.

Reason (R) : Communication between people does not create awareness.

Q.3. Assertion (R) : Waterways are the cheapest means of transport.

Reason (R) : It is a fuel-efficient and environment friendly mode of transport.

Q.4. Assertion (R) : Trade is considered as the economic barometer of the country.

Reason (R) : Trading helps largely in developing countries like India. Advancement of trade is an index to its economic prosperity.

Q.5. Assertion (R) : International trade has undergone a sea of changes in the last decades.

Reason (R) : Exchange of commodities and goods have been superseded by the exchange of information and knowledge

Q.6. Assertion (R) : Cost of laying pipelines is less but subsequent running costs are maximum

Reason (R) : Pipelines do not facilitate easy transportation of goods.

Q.7. Assertion (R) : Transport and communications are called lifelines of our economy.

Reason (R) : Transport and communications do not help in easy movement of goods and materials between countries

Q.8. Assertion (R) : Tourism promotes national integration.

Reason (R) : Millions of people are directly engaged in tourism industry.

Q.9. Assertion (R) : Mass communication promotes national integration and provides entertainment.

Reason (R) : It strengthens democracy in the country by providing news to the masses. They feel attached to the country and a feeling of Nationalism arises in them.

ANSWER KEY

Q.1 : (a) Density of all roads varies, keeping in view the volume of traffic and passengers, the road network is inadequate, they are unmetalled and unfit for use, posing a lot of problems for transportation.

Q.2 : (d) The increase in population and the change in the modes of communication are the result of increased human movement and transport of materials and goods. These provide healthy entertainment. They are thus essential in life, thus both Assertion and reason are false.

Q.3 : (a) The reason justifies the Assertion.

Q.4 : (a) The reason explains the assertion.

Q.5 : (a) India has emerged as a software giant at the international level and it is earning large foreign exchange through the export of information technology.

Q.6 : (d) Initial cost of laying pipelines is high but subsequent running costs are minimal. It rules out trans-shipment losses and delays.

Q.7 : (c) Transport and communications are called lifelines of our economy as they reduces distances, brings people close to another by promoting interdependence among themselves and mainly helps in trade and commerce within the country. Thus the reason is false.

Q.8 : (b) Tourism promotes national integration and helps in the development of understanding among various countries about our culture and heritage.

Q.9 : (a) Mass communication provides entertainment and helps in creating awareness among people. The reason justifies the assertion.
